PERTELOTE

1957

## *Foreword*

The motto of Brevard College, "Labor, Learn, and Live," has constantly challenged us in our aspiration to open the door to the better things of life—knowledge, culture, fellowship, and a faith in God. The faculty, guided by Christian insights and ideals, has presented to us the keys to unlock the door to these amenities which make for harmonious and gracious living.

In an effort to preserve the spirit of congenial friendliness and cooperation that infiltrates and influences the character and personality of each student at Brevard College, we present the nineteen fifty-seven PERTELOTE.

## *Dedication*

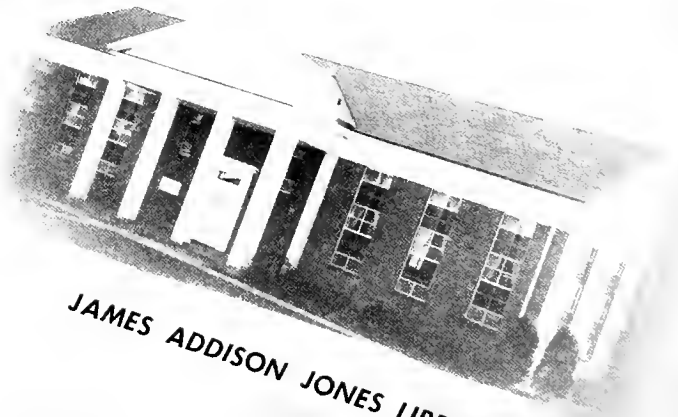

*Understanding, patience, friendliness, sincerity, and straightforwardness combined with a spiritual quality are a few of the innumerable characteristics possessed by our dedicatee, Mr. Ray. With a smile that either encourages, challenges, or reprimands, he has constantly striven to guide students toward a more abundant life.*

*By walking the second mile with his students, he has helped to prepare us for the future. Because he has shown implicit faith in us and devoted much of his time to us outside the classroom, we dedicate this our nineteen fifty-seven PERTELOTE to the Reverend C. Edward Foy.*

## Good Government At Work

Returning to school a couple of days early, the Student Council members made plans for the coming year at Brevard. Their willingness to devote a portion of their time and effort to the Student Government not only helps their fellow students, but also enables them to become better citizens. They assumed

responsibilities immediately by assisting with registration and activities during orientation week. The Student Handbook is published each year by the members of the Student Council to introduce the new students to the College and its policies.

*Judy Kiser, Freshman Representative; Sue Jackson, Editor of Pertelote; Miss Francis, Adviser of Social Committee; Laney Funderburk, President of Freshman Class; Sylvia Jones, President of Christian Council; Jack Kimbro, President of Men's Assembly; Steve Davis, First Semester President; Margie Long, Secretary and Treasurer;*

Through the social committee the Student Council sponsors the social activities on campus and makes regulations regarding student life.

Steve Davis served very capably as president during the first semester. Vice-President Doyle Liske became a victim of polio and had to leave school. Jesse Beatty resumed the responsibilities as president of the student body second semester; Allen Pingel, vice-president.

Bob Ivey, Social Chairman; L. H. Halliburton, Adviser; Dean Berry, Dan Hendrick, Saphamore Representative; Dean Stevenson, Libby Maare, President of Women's Assembly; Jerry Stamey, President of Saphamore Class; Jesse Beatty, President of Wodenian Club.

## Subsidiary Governments

Just as the United States government needs state legislatures to support and uphold the laws which make for orderly living for all, so does the Student Government of Brevard College need lower governing bodies, the House Councils, to enforce regulations and deal with those who voluntarily and involuntarily violate these regulations.

The Women's Council seeks to establish a sense of responsibility in all women students. In order to develop high social and academic standards among women students, the council meets each Tuesday afternoon with the Dean of Women.

Dean Berry, Birdie Lee Bingham, Sylvia Jones, Libby Moore, president; Jeannette Hoyle, Jacquelyn Williams, vice-president; Kay Johnson, Violet Lindsey, secretary-treasurer; Sylvia Gardner, Martho Carpenter, Sylvia Parker, Diane Linberger, Patsy Guyer, Martha Laughlin, Pat Atkins, Margie Long.

Mr. Halliburton, Maurice Moore, president; Dean Stevenson, Jimmy Callaway, John Hawkins, Lee Harpe, Lewis Ledwell.

Dean Stevenson, Jack Kimbro, president; Dan Hendrick, Mr. McFadden, Paul Blackburn, Steve Davis, Allen Pingel, Jesse Beatty, Bob Ivey, secretary-treasurer.

With the construction of the new dormitory for men, it became necessary to divide the Men's Council into two bodies. Though separate, they work together to deepen the sense of good fellowship among the men students of the college.

Advised by Mr. McFadden, Jack Kimbro endeavors to promote the standards of good government in the new dormitory.

The Men's Assembly is the official representative body of all male students. Each house council is responsible for the order of its own dormitory.

Mr. Halliburton and Maurice Moore work together to make Taylor Hall a more pleasant residence hall for the men.

### *Another Milestone*

Delighting in flaunting their rank, the just-turned sophomores had only begun to enjoy the privileges and responsibilities connected with the exalted state of upperclassmen when they were measured for caps and gowns a grim reminder that all were leaving soon.

Slow, steady steps find their places in the black-gowned line. Parting from friends brings tears, but thoughts of the future awaken eager smiles.

The procession begins the march toward a commencement of a new life.

### *Just Beginning*

The first glimpse of the campus, the uncertain feeling of meeting roommates for the first time, the occasional pangs of nostalgia—all are a part of becoming a full-fledged college student. This is the beginning of a college career that places us one step nearer our desired vocation.

Having survived the placement tests of orientation week, the trials of the initiation, the struggles with biology and history, and the horror of examinations, we have successfully made the transition and are now bona fide college students.

## *Big Sister Organization*

The Big Sisters Organization is set up to help freshmen adjust to college life. The Big Sisters are a group of capable upperclassmen with a 1.5 average or better, chosen by the faculty for their leadership ability and congenial personality.

These girls guide and assist the freshmen with the rules and regulations of the college. Their friendly advice and kindly guidance play an important part in making the freshmen girls feel at home.

They also acquaint the girls with the Student Handbook, the first selection in every Brevard College girl's library.

To help the freshmen become better acquainted, the Big Sisters were hostesses at a tea in their honor.

Jeannette Hoyle is president of the group; Christine Fisher, secretary. Dean Berry advises the program.

## The Pertelote

The publication of a yearbook is the outgrowth of endless pictures to be made, lists to be corrected, and copy to be compiled. These and other infinite details beset the staff as they fought toward a February deadline.

Claudia Ramsay and Sue Jackson made the original lay-out early in the semester. Then the machine started moving. Roland Peacock and Judy Kiser constantly coaxed students to have their photographs made. Every night after closed study the typists worked busily making copy. Dale Wright and Pat Guyer sorted and resorted the freshman and sophomore pictures while Mrs. Roy advised.

# Staff

Jimmy Callaway, business manager, engineered the advertising campaign. His secretary, Sandra Whisnant, busied herself with accounts and mailed out statements.

The haggard editor and worn staff look on this publication with an inward satisfaction and even a tinge of sadness that the work is over. We hope that the 1957 PERTELOTE will in the years to come bring back old memories and much pleasure.

## *Monogram Club*

The Monogram Club was organized to recognize those men who have earned a letter by participating in one or more major sports. Throughout the year they are active in boosting school spirit. Members of this organization proudly wear the gold and blue lettered jackets.

Operation of the concession stand during the basketball season comes under the auspices of this organization.

## Golf

Though Brevard fielded no team for intercollegiate competition, golf became more popular this year than ever before. The "link men" lost many fine golfers this season, but the vacant slots were quickly filled by other enthusiasts.

ED FICKER, VANCE LINK, STEVE DAVIS, WILLIAM RUTLEDGE.

## Tennis

JIMMY JOHNSON, BILL HALL, FRED OSTEEN, GARY FRICK.

Even though the College did not sponsor an intercollegiate tennis team this year, the courts were frequented by racket men getting into the swing of things. Tennis, continuing to increase in prestige, has become an integral part of the intramural program.

## Woman's Intramural Council

The well-rounded woman's intramural program under the direction of Miss Francis, has become a feature of student activities. Archery, basketball, hockey, hiking, bowling, softball, tennis, volleyball and ping-pong are sports open to every girl.

The Woman's Intramural Council governs these sports and stimulates a spirit of fellowship and comradeship through participation and competition. The honorary teams are chosen by this council.

This was an eventful and successful year for the W. I. C., whose float took second place in the community Christmas parade. The council also sponsored a Halloween Carnival and homecoming exhibit.

## *Honorary Hockey Team*

The first frost announced the beginning of the season for hockey, a new sport for most of the girls. The clashing of hockey sticks, the clamoring for the ball, many fouls and bullies were all part of the rugged game.

After careful consideration, the WIC announced the names of the members of the honorary hockey team, and the Freshman Hockey Stick was presented to Carolyn Reid for her outstanding work on the field. To climax the season, a banquet honoring the team was held in the cafeteria.

## *Honorary Basketball Team*

Basketball had more ardent enthusiasts than any other intramural sport. Social fraternities and class teams competed in a series of games to determine the winning team.

Before the honorary team was announced, there was much speculation as to who would make the team. These girls may be justly proud of this honor.

*Sarah Fortune, Sandra Mask, Barbara Davis, Myrna Fisher, Louise McTaggart, Nancy Norton, Mary Mullis, Lois Gamble.*

## *Woman's Monogram Club*

A comparatively new organization, the Woman's Monogram Club forwards ideals of good sportsmanship in the physical education program.

Membership in this honorary organization is limited to those girls who have won five hundred points through their participation in intramurals.

*Eunice Jones, La Verne Sweeney, Louise McTaggart, Lois Gamble, Barbara Davis, Sue Jackson, Chris Fisher.*

## Folk Dancing Club

The Folk Dancing Club originated this year as an outgrowth of those students making "B" or better in the Folk Dancing class. During the half time at the basketball games, this group danced "The Waltz of the Bells" and "Czebagar."

Under the tutarship of Miss Francis this group is rapidly taking its place among leading campus activities.

## Bowling Group

Bowling is fast becoming one of the best features of the physical education program. The class meets at the Brevard Bowling Center where Miss Francis emphasizes correct bowling form.

## Volleyball

Volleyball claims the enthusiasm of a large number of girls. It was introduced in the physical education classes, and the W. I. C. sponsored class tournaments. A banquet ended the year's activities.

## Growing Up With Opportunity

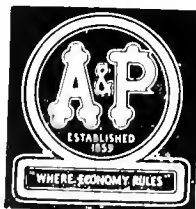

While you've been growing up and "getting educated", opportunity has been growing, too. All around you, industry and business have multiplied. Electrification has increased farm yield while cutting down on labor and risk.

When you were freshmen, the Duke Power Company was beginning new plants to supply your power needs after graduation. Now ample, low-priced power increases your job opportunity, and Piedmont resources are ready for your energy and ideas. Good luck to you as you find your place in the Piedmont Carolinas.
